

Serenades

Running out of ideas on how to impress/surprise your significant other/family member/friend? Maybe try visiting Paris or something, or better, hire a musician to serenade your loved one! As long as a chair and cello can fit in it, a serenade can be anywhere! Restaurants, Office spaces, Parks, Lake sides, Elevators (if you're in to *that*) It's important that the right songs are played for the right person, so let Sam know *ahead* of time what you would like him to play!
